

Color Blocks

[@matematicamonteiro](#)

Regras do Jogo

1.Preparação do Material

- Imprima, recorte e, se possível, plastifique os flashcards com desenhos de blocos coloridos (em anexo) seguindo a ordem de dificuldade proposta.
- Disponibilize lápis de cor ou canetinhas nas mesmas cores dos blocos nos flashcards.
- Imprima e recorte os cartões com desenhos de blocos em preto e branco (em anexo).

2.Objetivo do Jogo

- A criança deve memorizar a disposição das cores nos blocos de cada flashcard e, em seguida, colorir uma réplica dos blocos em branco, respeitando as cores vistas.

3.Regras do Jogo

- Tempo de observação: A criança terá 7 segundos para observar o flashcard com os blocos coloridos.
- Memorização: Durante o tempo de observação, o flashcard deve ser mantido estático e visível.
- Reprodução: Após os 7 segundos, o flashcard é retirado da vista da criança.
- A criança deve colorir os blocos em branco na mesma ordem e com as mesmas cores observadas no flashcard.
- Pontuação: Cada bloco colorido corretamente vale 1 ponto. Concluir o padrão inteiro sem erros confere um bônus de 2 pontos.

4.Turnos ou Modo Competitivo (opcional)

- No modo competitivo, cada participante alterna entre rodadas, e o vencedor será quem acumular mais pontos após um número definido de rodadas.

Regras do Jogo - Continuação

5. Revisão e Feedback

- Após cada rodada, compare o desenho colorido com o flashcard original e ofereça feedback positivo, destacando os acertos e incentivando a memória da sua criança.

6. Dificuldade Ajustável

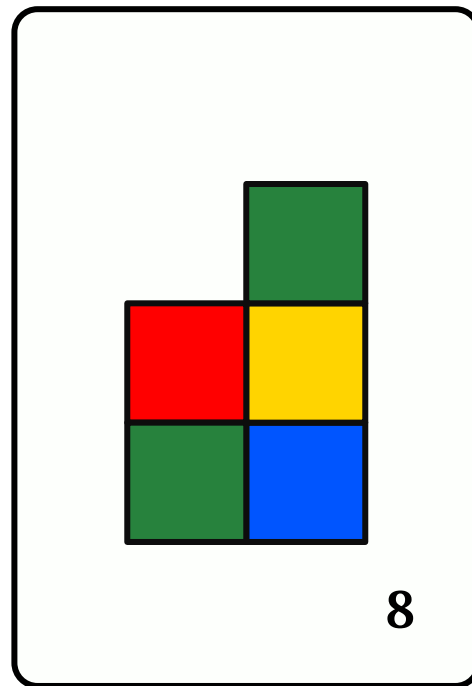

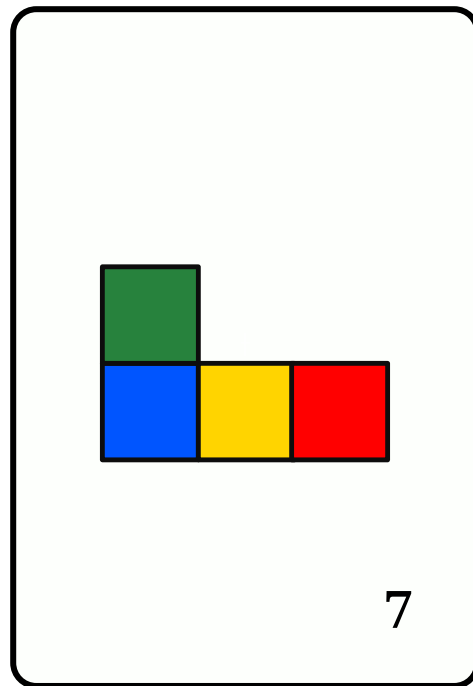

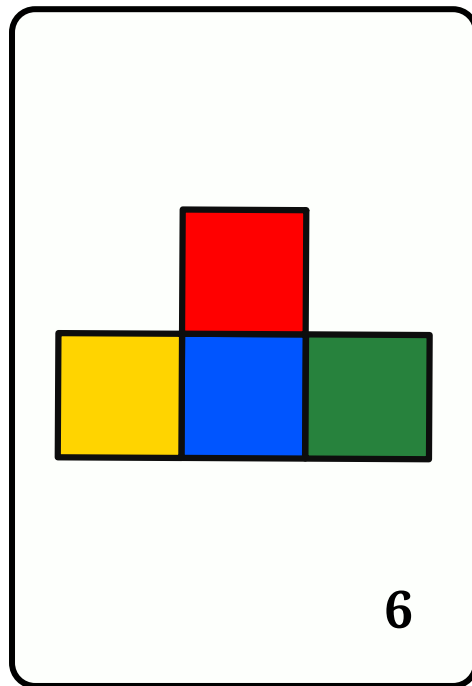

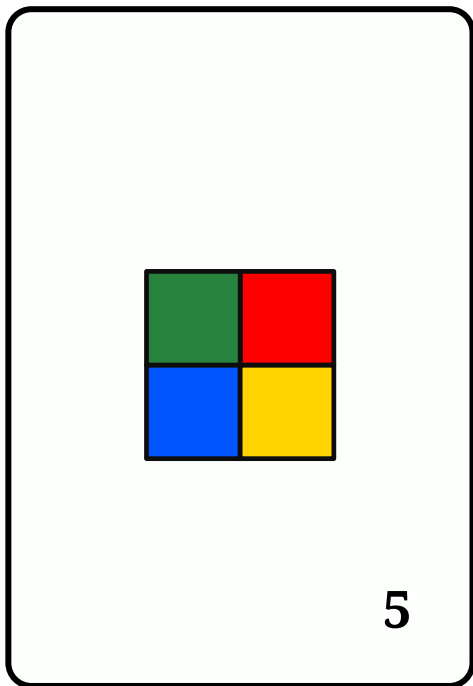

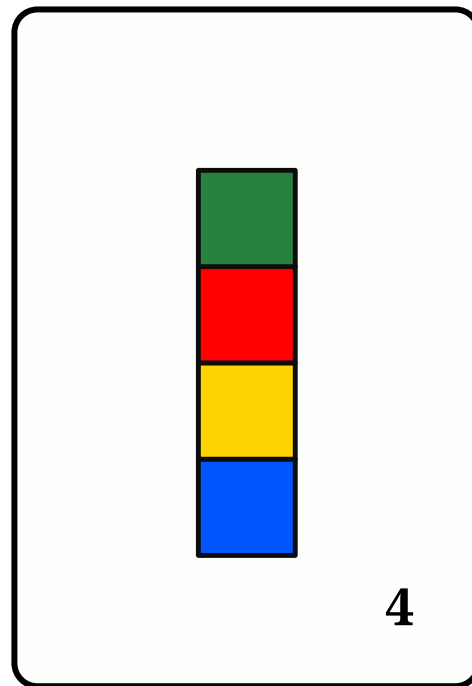

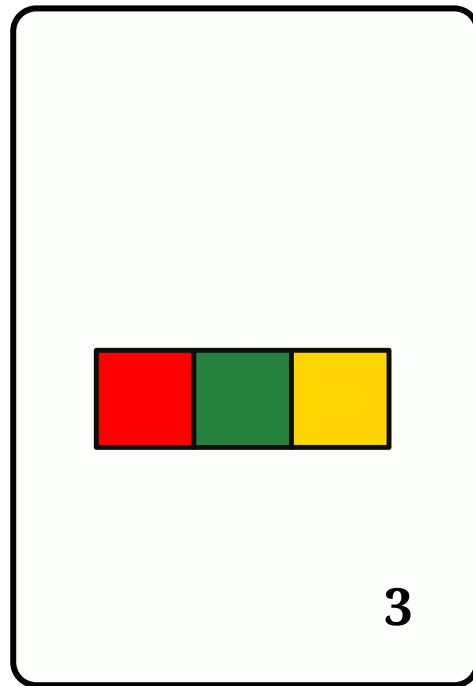

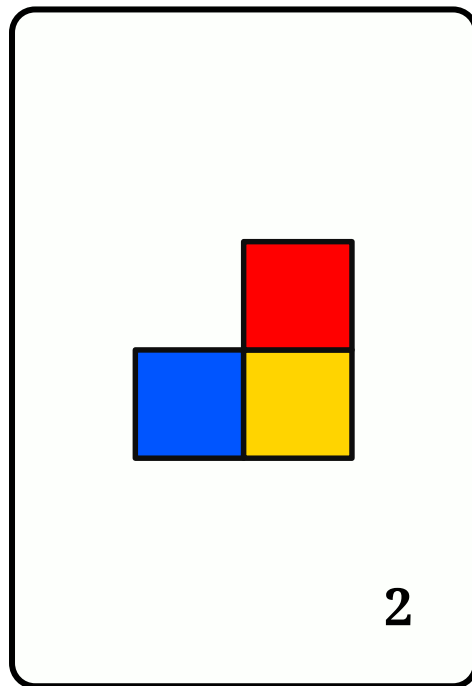

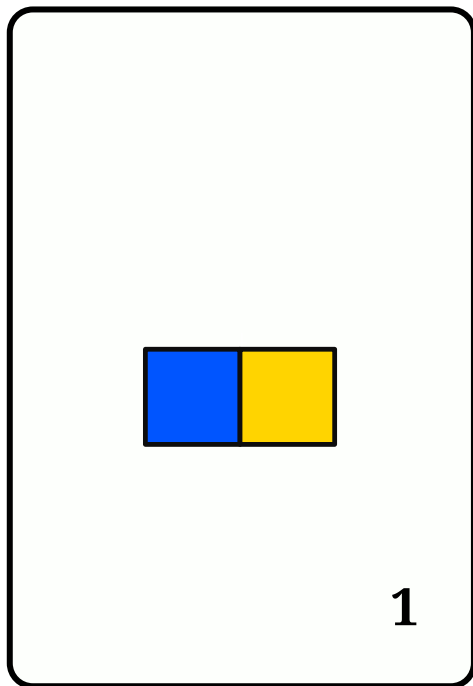

- Intermediário: Diminua o tempo para 5 segundos.
- Difícil: Diminua o tempo para 5 segundos e elabore flashcards com mais blocos e uma maior quantidade de cores.

7. Final do Jogo

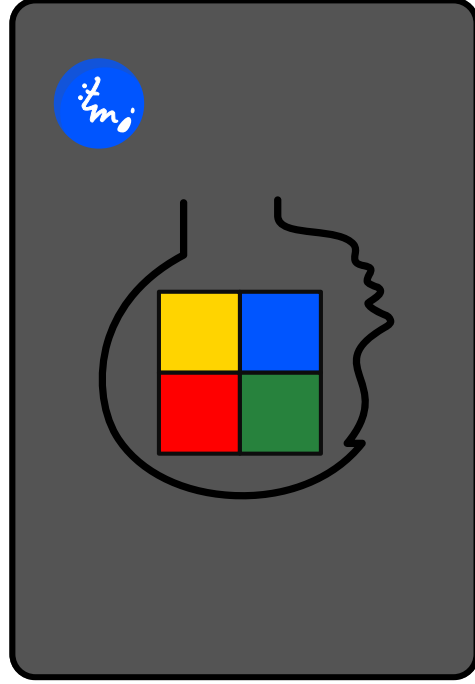

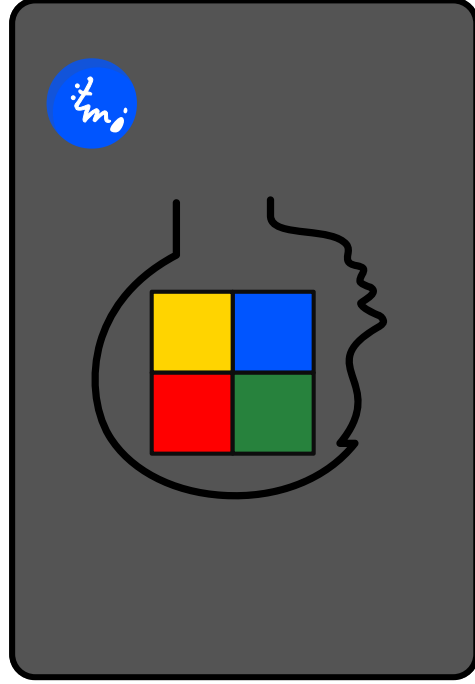

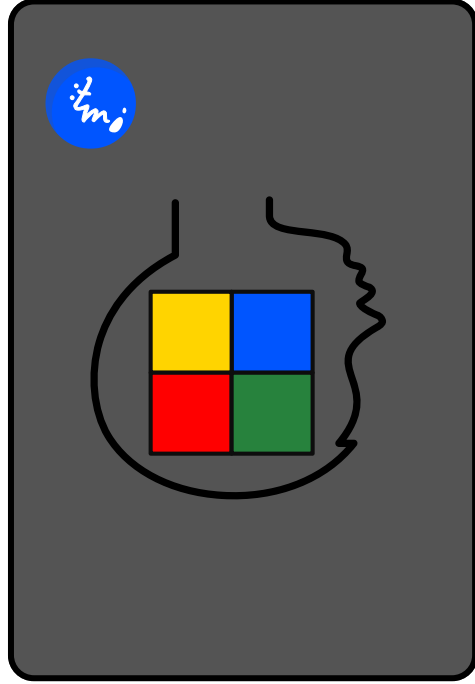

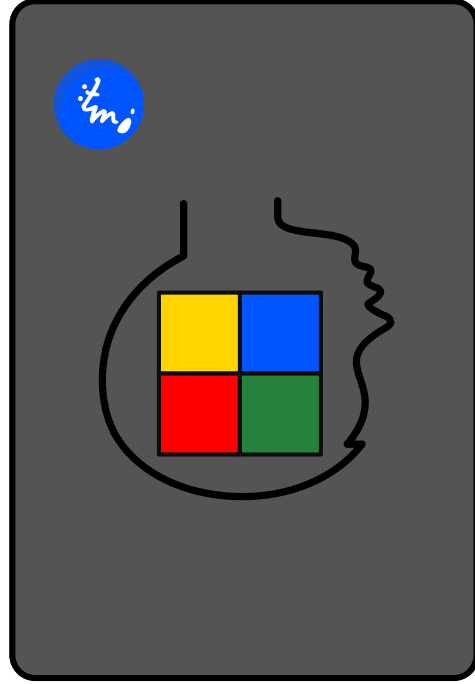

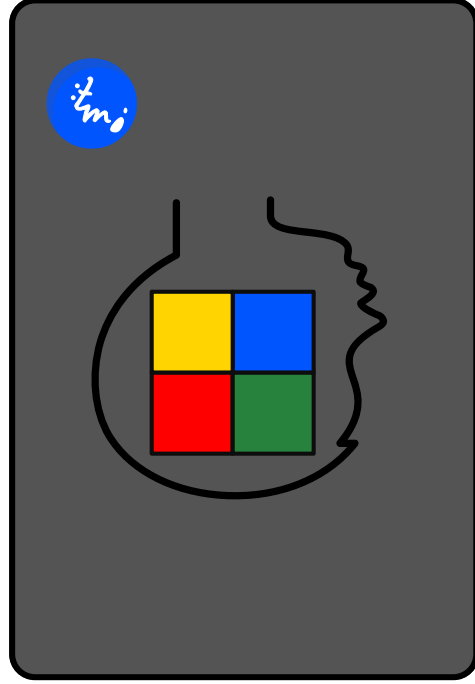

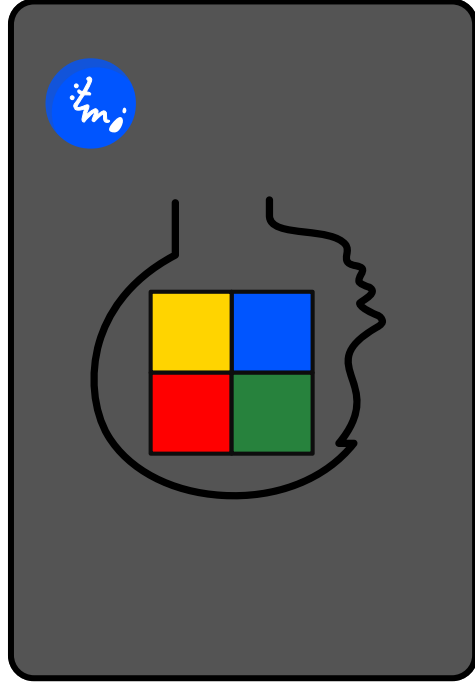

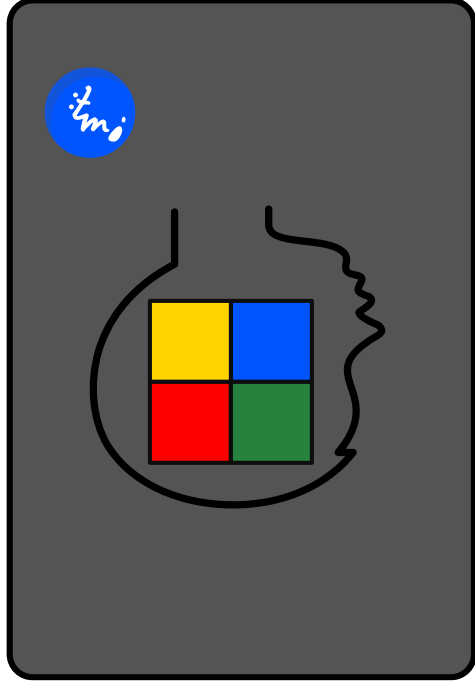

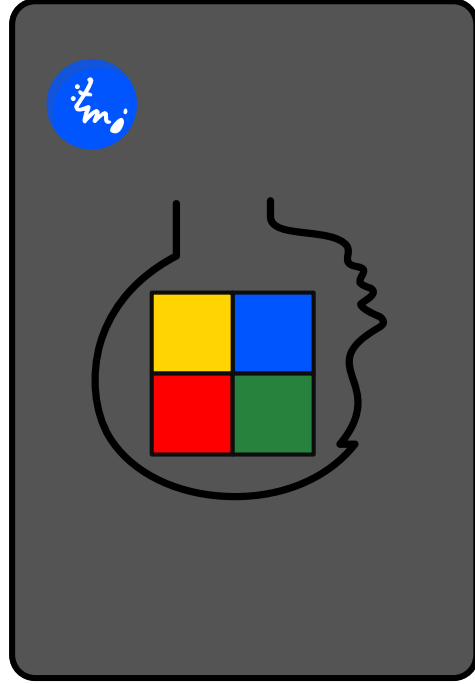

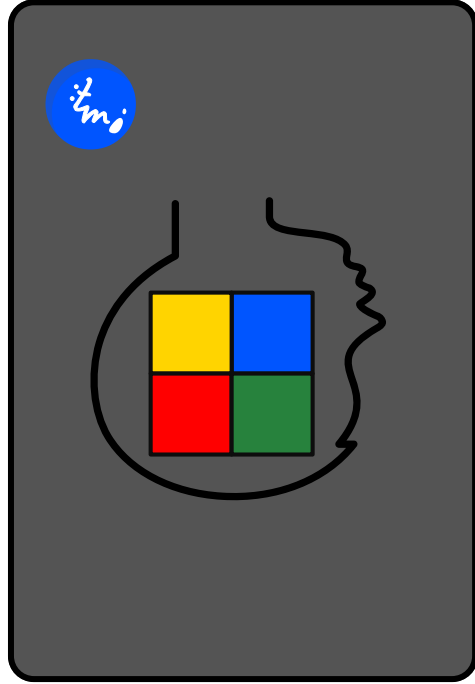

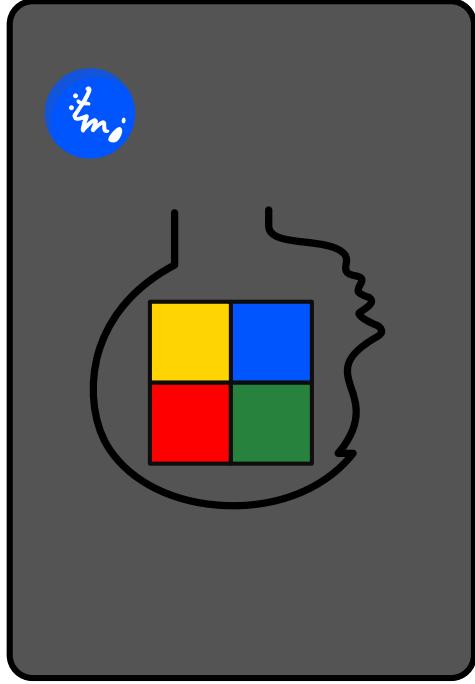

- Após um número definido de rodadas, declare o vencedor com base na pontuação total.
